# BN000040671 - Structural Engineering Firm

Location: Southeast US

## **Opportunities**

- Capitalize on the company's 23 inspection projects as of June 2023
- Expand service offerings across the US and internationally
- Capitalize on expert witness services
- Utilize marketing efforts to increase client acquisition
- Expand into government and industrial projects
- Capitalize on current inspection service contracts

### Headquartered

Southeast US

#### **Current Markets**

 The company offers structural design consulting services in the Southeast US. Industries served include residential, commercial, hospitality, office, and historic restoration.

#### **Real Estate**

 The company operates from a 3,000 sq. ft. facility leased from an unrelated third party. The company migrated to a remote workforce in 2020 following the COVID-19 pandemic. There is room to grow in the current facility, and the company is relocatable.

## **Shareholder Objectives**

• The company is owned by two active shareholders. Both owners are seeking retirement but are open to a transitionary period following a sale.
